

CERTIFICATE OF INTERNSHIP COMPLETION

Date: September 10th, 2021.

Student's Name: Yash H Barot

University & program: Rashtriya Raksha University, B.Tech. in CS&E with specialization in Cyber Security

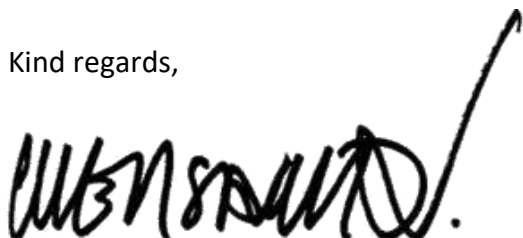

Internship's Start & End Dates: July 5th, 2021 – August 13th, 2021

Internship's scope and prime directive: Tasks and activities were practical and research based. The intern was active to the following teams: Maths/AI/ML, Coding, AstroPhysics / Psychology / Cognition, Business Intelligence Analysis, which required theoretical and practical knowledge related to those fields, and Cybersecurity.

Performance remarks: During the period of internship, the intern demonstrated excellent written and verbal communication skills, ability to work independently, with others and in teams, with a self-motivated attitude towards learning new things and openness to feedback and recommendation from peers and supervisors. All assignments were completed with supreme excellence, always in a professional and timely manner. The intern's skills and qualifications proved totally satisfactory with regards to all tasks assigned, for which we deem the internship as COMPLETED WITH DISTINCTION.

We wish Yash H Barot the very best in all career and future endeavours.

Kind regards,
